

For immediate release

ASAP announces record shortlist for 2017 ASAP Serviced Apartment Industry Awards

ASAP – the not-for-profit trade body for the serviced apartment sector – is delighted to announce that, following a record level of entries to its **2017 ASAP Awards Programme**, some **76** companies have now been shortlisted across the 10 different award categories.

Speaking at ASAP's networking event at the Grange Tower Bridge in London on Wednesday 6 September, after announcing the shortlist, James Foice, ASAP Chief Executive, comments:

*"We are absolutely thrilled to have had such a tremendous response from the industry to our fifth **ASAP Serviced Apartment Industry Awards**. We have been so very impressed with the very high calibre of entries both from members and non-members this year, which has far exceeded our expectations, and has therefore resulted in a record shortlist of 76 entries. With our membership now spanning 17 countries around the world, I'm particularly delighted to see such a great cross-section of our members making it through to reach the shortlist – we have recent new joiners of the Association as well as longstanding members and operators and agents both in the UK and overseas. And it's great to see 8 of our business partners who applied for the 'Industry Breakthrough & Innovation' Award also making it through to the shortlist."*

The **2017 ASAP Awards Programme** features a total of 10 different award categories this year with 3 particular categories each securing the highest level of 10 shortlisted finalists respectively ie Team of the Year; Investment in People; Guest Experience of the Year.

All shortlisted finalists will now go forward to the final awards judging day next month when both a winner and highly commended entry will be selected for each of the 10 categories.

All the winners will then be announced at the prestigious **ASAP Gala dinner** which takes place on the evening of 7 December at etc venues, 155 Bishopsgate, London following on immediately after the **ASAP 2017 Convention** which takes place that day.

Please refer to the attached pdf document to see the full list of all 76 companies successfully shortlisted for the **2017 ASAP Serviced Apartment Industry Awards**.
